

Acting Governor of the Chelyabinsk Region Alexey Teksler thanked Maxim Zagornov

April 11, 2019

Alexei Teksler, Acting Governor of the Chelyabinsk Region, announced a commendation to Maxim Zagornov, Director of MKS Group. The corresponding order was signed on April 4, 2019.

M. Zagornov was recognized "for his great contribution to the development of the energy industry of the Chelyabinsk Region, conscientious work and professionalism".

Maxim Zagornov is the founder and director of the MKS Group of Companies, which today holds a leading position in the market of small-scale distributed power generation in Russia. Over 14 years, the company has commissioned 46 mini-HPPs in various regions of the country. The total volume of implemented energy projects amounted to 201 MW.

In addition, Maxim Zagornov is active in public and lawmaking activities. He is the founder and President of the Russian Small Energy Association, a member of the General Council of the All-Russian Public Organization "Delovaya Rossiya", and a Business Ambassador of Delovaya Rossiya in the UAE. In 2013, he established the International Award "Small Energy - Great Achievements" for the best projects in the field of distributed and alternative energy.

It should be noted that Alexei Teksler, the acting head of the region, previously served as First Deputy Minister of Energy of the Russian Federation and supervised the development of the electric power industry. Teksler has repeatedly noted that small-scale power generation in Russia has the fastest development dynamics.
