

Maksim Zagornov, Director of MKC Group of Companies celebrates his milestone birthday today

June 8, 2023

On June 8, Maksim Zagornov, Director of MKC Group of Companies, President of the Distributed Power Generation Association, Business Ambassador of Business Russia to the UAE celebrates his landmark birthday. He is the man who created one of the best engineering companies in the country from scratch 18 years ago, gathered a reliable team, withstood several crises with it, found his way in life by becoming an entrepreneur.

Furthermore, he has brought together his colleagues under the auspices of the Distributed Power Generation Association, which has largely determined the development path of small-scale distributed power generation industry in Russia. And today, being the Business Ambassador of Business Russia to the UAE, he is solving a crucial strategic task promoting the interests of Russian business in the United Arab Emirates.

Maksim Zagornov, the businessman with an inexhaustible reserve of energy, optimism, entrepreneurial ingenuity, is at work even today, on his birthday, immersing himself in affairs and projects, plans and strategies. And every step reflects his constructive vision!

Today, the entire team of MKC Group of Companies wishes Maksim Zagornov – the man and entrepreneur so fearlessly navigating the MKC ship through the waves of the raging business ocean - good health, strength of mind, entrepreneurial luck, great human happiness! Happy birthday!
