

# Maksim Zagornov took the 2nd place in the All-Russia competition «People of Business» in the category «Industry Driver»

October 25, 2019

**The «Business Russia» Ambassador in the UAE, CEO at the MKS Group of Companies Maksim Zagornov became the finalist of the All Russia contest «People of Business», taking the second place in the category «Industry Driver».**

The contest is organized by the All Russia public organization «Business Russia», and its main purpose is to promote the value of Russian entrepreneurship through the identification and replication of successful practices and initiatives of doing business on the territory of the Russian Federation.

This year over 300 applications from all over Russia were submitted to the organizing committee of the contest, the most intense fight flared up in the nomination «Industry driver». The jury of the contest highly appreciated the significant contribution of the «Business Russia» Ambassador, CEO at the MKS Group of Companies Maksim Zagornov to the development of the distributed generation industry in Russia and abroad, his active civil and entrepreneurial activity, participation in legislative processes, advocacy of the entire industry community interests, as well as the significant business results of the company itself.

Following the voting results Maksim Zagornov took the second place in the category «Industry Driver». The awards were handed out by Boris Titov, Business Rights Commissioner under the President of the Russian Federation. Congratulations!
