The MKS Group of Companies is 15 years old. The sky is the limit!

April 10, 2020

On April 12, the MKS Group of Companies turned 15 years old. The company meets its anniversary year in the mode of full forces mobilization. After all, it is now that the whole world is in a state of deep economic recession that there is a great challenge for all the companies' business processes to stay strong and sustainable, and for their teams - firm and consolidated. But the strongest will survive within this "perfect storm". The sky is the limit for MKS!
