

The MKS Group of Companies participates in WETEX-2019 exhibition in Dubai

October 17, 2019

The MKS Group of Companies, as part of the "Business Russia" companies' delegation, will participate in the 21st International Exhibition on Water Treatment, Energy Technologies and Environmental Protection WETEX-2019 and the World Summit of Green Economy. The event will take place on October 20 - 23 in Dubai and will become a constructive platform for establishing direct contacts between the Russian entrepreneurs and the UAE partners. The business mission to the United Arab Emirates is organized by the "Business Russia" Ambassador to the UAE, CEO at the MKS Group of Companies Maksim Zagornov.

The delegation includes 16 entrepreneurs representing interests of the Russian advanced companies working in the field of distributed energy, water supply, water disposal, fire safety, ecology. Within the framework of a single stand in the Russian Pavilion they will present their own innovative developments, hold negotiations with the representatives of business and authorities of the United Arab Emirates, outline the further cooperation ways.

The MKS Group of Companies plans to present its capabilities for the construction of distributed energy facilities (mini-CHP) turnkey, as well as for creation of the joint production of high-tech energy equipment.

Should be noted that WETEX-2019 is one of the most authoritative exhibitions of the energy profile in the world. It is held under the patronage of the UAE Prime Minister, the Governor of Dubai Mohammed bin Rashid Al Maktoum. The exhibition is organized by Dubai Electricity and Water Administration (DEWA). This year, WETEX-2019 and the World Green Economy Summit will unite over 2,500 exhibitors and 10,000 delegates from 50 countries. The global environmental policy, sustainable development and international partnership will be on the focus.

We invite you to visit the MKS Group of Companies' stand at the WETEX-2019 exhibition: Dubai, Dubai International Convention and Exhibition Centre, Halls 1-3, Russian pavilion, stand P20.
